-Mr. William G. Hockman and wife, cent Sanday last among friends in Duttersile and Kresgeville; they returned home Monday, much pleased with their trip

Your correspondent had the pleasure to visit the public chicols of Penn Forest twp., which are under the charges of Chas. B. Reise, who teaches No. f.at Meckewille, and Reise, who teaches Ro. d. at Meckesville, and Wm. A. Roth, who teaches No. 5, at Al-brightaville, and finds them in a very fine and progressive condition. This speaks yery well, for both of these gentlemen are well qualified for the positions which they now hold, and, so far as I have heard, they are very much liked by the community at large, and especially is this ao with Mr. Reise, who is a cripple, having lost one hand by the explosion of a shet cum while our guinning some six years ago. This is the twelfth term for Mr. Reise. He was form-erly a resident of Bucks county. Lost year Chas. B. and his elder brother Jeremish C.
